

Christmas Eve in Mifflinburg

Despite the past year of tragedy & sadness and lack of many “in person” worship services to ensure the safety of our family, neighbors and friends...we still celebrate the birth of Jesus!

Join us as we gather in front of First Evangelical Lutheran and St. John's United Church of Christ at 6:00 PM on December 24th

Bring your own candle and bells if you wish as we celebrate his birth and the unity of faith - all church or non-church backgrounds!

10-15 minutes outdoors & socially distancing WITH masks will allow you to continue your own plans for the evening

We look forward to singing Silent Night by candlelight to close our time together!

ALL ARE WELCOME!!
