JANUARY 2026

PASTOR'S PARAGRAPHS

Grace and peace to you!

First, I want to thank you all for the Christmas cards and gifts! I am truly blessed by you all!

Another "New Year" is upon us! And, it's time to eat pork and sauerkraut and make our New Year's resolutions! Many people think that Christmas is over and it's time to take down the decorations, but the Season of Christmas has just begun and lasts for twelve days, concluding when Epiphany arrives. What is Epiphany, you may be asking yourself. First, an epiphany is a sudden, profound realization, or one of those "aha" moments we've all encountered—that moment when we see reality and our lives a little differently. Epiphany for Christians is the feast day (January 6th) that marks the manifestation of Jesus and celebrates the visit of the Three Wise Men, or Magi, who brought gifts to Jesus.

In our Lutheran tradition, the season of Epiphany serves as a bridge between the birth of Jesus and his passion, as it draws together several themes: the birth of Jesus, the coming of the Magi, his baptism in the Jordan River, and his first miracle at the wedding in Cana in Galilee. Our current Lutheran calendar shows that the season of Epiphany extends to Ash Wednesday. It is our custom as Lutherans that the last Sunday of the Epiphany season is The Transfiguration of Our Lord, in which we remember a different epiphany that brings the Old Testament into Jesus' time.

During this time, the colors within the church change (in upcoming newsletters, I will be writing about the colors and symbols of the church and what they mean). The season starts as white, a continuation of the mood and spirit of Christmas. Some churches use gold instead of white on Epiphany, which symbolizes the kingly divinity of Christ to

whom the Magi offer their gifts. From the second Sunday after the Epiphany until the Transfiguration, the liturgical color is green. Green is often viewed as a time for growth. The color of the Transfiguration of Our Lord and the two days following is white. I hope this gives you a little understanding of Epiphany and why we do the things we do as Lutherans.

As you prepare to make your resolutions, take some time to reflect on what God has done in your life this year or maybe what you have learned from God. Take some time to pray. Pray for guidance, pray for those around you, and pray for the times when God blessed you.

One final note I would like to share with you this year. It was an amazing year both in the church and in my personal life. I give thanks to God for each and every one of you and for what you do for the church! As this year comes to a close, I want you to know that Andrea and I are now engaged! We ask that you pray for our families and us as we begin this new journey together! We will keep you all posted on the details of the wedding, and know that each of you will be a part of it!

May you have a happy and blessed New Year!

Peace in Christ,
The Rev. Curt Wingert

PARISH NEWS

Contemporary Worship Services

Greetings Members of 4-Bells and First,

The Parish Council has been working to find ways of meeting two specific goals for both of our churches: provide for more opportunities to worship together, and grow our memberships. With Pastor Curt's help, we have developed an idea that we would like to try next year that may address both of these goals.

Pastor Curt has spoken with many people throughout the past year – especially younger people – asking them what would attract them to our churches. One theme that came up over and over was the addition of a contemporary service with contemporary music. The Pastor approached the Parish Council asking for its approval to develop such a service and try it one Sunday each month next year (probably starting in February) and develop it throughout the year. We will revisit it at the end of the year to decide if we should continue, as well as any changes to be made. Pastor Curt's friend – Ms. Andrea Mayeski – has graciously agreed to lead these services as a volunteer. Andrea has a degree in music and has experience leading contemporary services.

The Parish Council presented this idea to both individual church councils for their input before making a decision and both councils supported implementing it next year. The Parish Council formally approved the idea and directed the Worship and Music Committee to work with Pastor and Andrea to develop and implement the service.

This service will be a joint service on the last Sunday of each month at 10:00 and will alternate between Four Bells and First. Reminders will be put in church bulletins and the newsletter. There was an initial concern that this meant members of First would have two services every other month away from First (the second Sunday at UCC and the last Sunday at 4-Bells). However, we were recently informed by UCC that they would not be continuing their joint service with First on the second Sunday, so this is no longer an issue.

Again, it will take time to develop this contemporary service so the goal is to hold the first one at the end of February, but it is possible that March may be more realistic. If any member of either church would like to provide input or get involved in this service, please see any council member or the Pastor.

Thank you all for your support as we try to grow our churches!!!

Kim Sauers
Parish President

How to Start the New Year

A New “Want -To”

“I will give them an undivided heart and put a new spirit in them. I will remove from them their heart of stone and give them a heart of flesh.” Ezekiel 11:19

To be born again means that we accept Jesus as the perfect sacrifice for our sins and receive Him as Lord and Savior. At this time of spiritual new birth, He gives us a new “heart of flesh” and it replaces our old heart of stone. This new heart is sensitive and responsive to the Lord and eager to please Him.

When God puts a new heart and a new spirit within us, I say that He gives us a new “want-to”. This is why, after we become Christians, we find ourselves wanting to do things we have never done before and not wanting to do things we enjoyed before we knew the Lord. We may not live differently overnight after our salvation experience, but over a period of time, our desires and motivations do change. A new heart gives us fresh, Godly desires, and a new spirit gives us the ability to accomplish them.

Getting a new heart and new spirit is not a one-time occurrence. As long as we walk with God, He continually renews our desires and our ability to respond to Him. Maybe you sense a fresh, new desire right now. Ask God to show you what He is leading you to do with it, and follow Him in obedience.

Prayer: “Father, thank you for giving me a new heart and a new “want-to”. In Jesus’ name. Amen.”

To God be the Glory. Have a Great New Year! ~ From the Shoemakers

TIPS FOR A BETTER LIFE

- *Laugh when you can, apologize when you should, and let go of what you can't change.*
- *Realize that life is a school and you are here to learn. Problems are simply part of the curriculum that appear and fade away like algebra class but the lessons you learn will last a lifetime.*
- *Remember that you are too blessed to be stressed.*
- *You don't have to win every argument. Agree to disagree.*
- *Don't waste your precious energy on gossip, OR issues of the past, negative thoughts or things you cannot control. Instead invest your energy in the positive present moment.*
- *No matter how you feel, get up, dress up and show up.*
- *Frame every so-called disaster with these words: 'In five years, will this matter?'*
- *Buy a DVR and tape your late night shows and get more sleep.*
- *Clear clutter from your house, your car, your desk and let new and flowing energy into your life.*
- *However good or bad a situation is, it will change.*
- *Eat breakfast like a king, lunch like a prince and dinner like a college kid with a maxed out charge card.*
- *Remember God heals everything.*

### **MY RESOLUTION**

*I won't look back; God knows the fruitless efforts,  
The wasted hours, the sinning, the regrets.  
I'll leave them all with Him who blots the record,  
And graciously forgives, and then forgets.*

*I won't look forward; God sees all the future,  
The road that, short or long, will lead me home,  
And He will face with me its every trial,  
And bear with me the burdens that may come.*

*But I'll look up—into the face of Jesus,  
For there my heart can rest, my fears are stilled;  
And there is joy and love, and light for darkness  
And perfect peace, and every hope fulfilled.*
