**December 8<sup>th</sup>** - Dinner & Devotions led by Kaylin - Ava - Hannah @ Fee's Home at 6:00 PM

**December 1-25** - Reverse Advent Calendar - United Way thanked us over & over last year! Very simple! Remember the days you ate a piece of chocolate every day until Christmas from a calendar? *You can still eat the chocolate daily* but we are asking you to place an item each day in a cardboard box that can be used by families in need in our area. We will collect boxes from all the churches and asking postsecondary young adults to deliver to Joanne Troutman @ United Way!  
*Suggested item list from United Way: (Please put this in your church bulletin and encourage ALL to be involved!)*

**Much needed:**

canned vegetables  
canned fruit  
canned stews (such as Dinty Moore stew)  
canned soups that are as rounded a meal as possible (such as Chunky soups)  
canned beans (especially black beans)  
chicken broth  
beef broth  
spaghetti sauce  
salsa  
canned tuna  
other canned meats (chicken, etc.)

**If possible, prefer to avoid:**

juices (too much sugar)  
candy and desserts  
rice/pasta (these are cheap, and the clients can use their money for this, allowing us to fill our more limited space with slightly more expensive stuff)  
anything perishable (we have no refrigeration or freezer)

**Toiletries we could use:**

toilet paper  
paper towels  
laundry detergent (BIG need)  
fabric softener  
toothpaste (no brushes, as the dental clinic donated a ton of them to us)  
body wash  
shampoo  
hand soap  
deodorant  
lotions, diffusers and calming scents  
pony tail holders  
combs and brushes  
feminine products

Winter activities will be shared at later date but please consider two summer trips that are powerful and LIFE CHANGING!

Mission Trip plans in the works!
