

BUFFALO VALLEY LUTHERAN PARISH NEWS

MARCH 2022

PASTOR'S PARAGRAPHS

Grace and peace to you!

Lent is a time of preparation and fasting that begins on Ash Wednesday (March 2nd this year), in which we are reminded that we are dust and to dust, we shall return.

Every year as Lent approaches, I think about what I will give up or what other people are going to give up. And, every year, I end up giving up baked goods like pies, cakes, and cookies. I give up baked goods because they are my biggest weakness. A few years ago, I decided to not only give up baked goods; I also decided that I would give up coffee too. Boy, was that a mistake! Now, before Lent started, I didn't ease into giving up coffee, like only drinking a cup or two a day; when Ash Wednesday rolled around, I went cold turkey. Cold turkey was not a good idea for someone who drinks as much coffee as I do! But I stuck with it! In the first week or two, I would say I was miserable. I had extreme headaches, I was jittery, and I was a grizzly bear; you didn't want to be around me. By the end of Lent, I felt cleansed; I felt like a brand-new person.

But then I wondered, was it the thing that I added. You see, for the last five or six years, I also take something up. I always add prayer. It seems odd that I would add prayer. I mean, I am a pastor; I lead two congregations in prayer, and I pray privately. But I want to go deeper in prayer and pray as I have never prayed before. I usually

start like I want, always being in constant prayer, but I never finish the way I want. Even though I don't hit that sense of prayer that I want to, I still feel spiritually renewed at the end of Lent. For me, that is what Lent is all about—being spiritually renewed and spiritually cleansed—becoming closer to God and becoming more faithful, being in a right and genuine relationship with the living God. Even though we may fail in our Lenten journey, God is always there to pick us up and cleanse us and renew us.

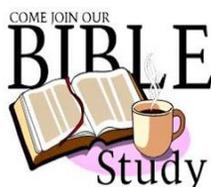

We give things up to make room to take things up. So, don't get caught up in the trend of just giving something up without attempting to take something up as well. Give up something that is getting in the way of your relationship with God.

This Lenten season remember that you are dust and rejoice because God is always with you!

Peace in Christ,
Pastor Curt Wingert

EASTER EGG HUNT

There will be a community Easter egg hunt for children ages 0-12 at Christ's United on **April 9 at 1:00 p.m.** The rain date is April 16. If you wish to donate candy for the hunt, volunteer to help, or want questions answered, contact a parish council member (*Sue Jows, Jennifer Keister, Terry Kline, Kim Sawyer, Jim Schwartz, and Barry Spangler*). We are looking for candy donations which we can use to fill plastic Easter eggs. Donated candy can be brought to the CULC church office. Watch for more information as it becomes available.

EASTER EGGS

LENT BEGINS MARCH 2, which means it's time to start thinking about making our Easter eggs again. This year we are planning to make eggs for seven (7) Mondays beginning the Monday preceding Lent. We will be making them on **February 28, March 7, March 14, March 21, March 28, April 4 and April 11 provided we have enough help.**

Providing there is enough help, eggs will be mixed and shaped starting at 9:00 am each Monday morning and coating and packaging will begin each Monday evening at 6:00 pm. This is a great fundraiser for the Church and much help will be needed both at 9:00 am and at 6:00 pm to make this project successful.

In order for this fundraiser to be successful, **EVERY week** 8 - 10 helpers are needed in the morning and 12 - 15 helpers are needed in the evening. Please let Bev know if you can help, and when, so that we know if we have enough help to make eggs each week. The more help we have, the quicker we will get done. If there are not enough volunteers signed up, Eggs **will not** be made that week.

Everything will be done with the current CDC guidelines being enforced; masks, social distancing, sanitation, etc.

Mark your calendars NOW and please plan to come out and help make these popular treats.

The Easter Egg candy will be sold at \$1.50 each and \$7.50/tray of 6. Trays will come in peanut butter, coconut, and mixed. Pretzels will be \$3/bag.

Easter Eggs are going to be made by **Pre Order Only**. Information on ordering and picking up Easter Eggs will be available soon. Please watch for more information on the CULC Website at www.4bellschurch.com or contact Bev Catherman at 570-922-1640 or 570-768-1214 or email eggs@4bellschurch.com.

COW CASH
PRE-LENTEN & LENTEN NOISY OFFERING

Come prepared each week during the month of February, March and into April with your coins and dollar bills ...the Parish will be collecting COW CASH to sponsor the purchase of a COW through ELCA good gifts

One dairy cow can produce a few gallons of milk each day. We know that milk “does a body good,” providing a calcium-packed source of nutrition for growing children.

A family can receive the nutrition they need and also start a small business selling extra milk, cheese and more. With food, funds and fertilizer, the gift of a cow has got it all.

CULC and FELC will each try to raise enough funds to purchase a cow...join us in this meaningful Challenge

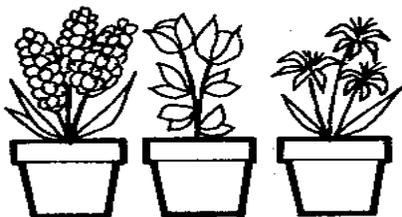

Monies will be collected thru Easter, April 17, 2022

For anyone who would like to learn a little bit more about Global Barnyard, you can get information at <https://goodgifts.elca.org/gods-global-barnyard>.

## ***NOTES OF APPRECIATION***

This year, I danced for my THON Organization HEAL. At THON, I stood with 666 other Penn State students for 46 hours straight without sitting or sleeping to support children with cancer. I just want to say thank you to the church and Kim Sawyer for the unwavering support I received. Reading the mail was so uplifting and I felt so much love. Our youth group is what inspired me to serve others and join the THON community in the first place. Thank you to everyone, God is so good!  
--Alexa Hackenburg

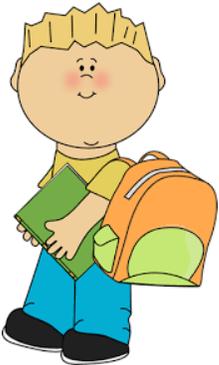

To Members of Christ’s United Lutheran Church,  
I want to “Thank You” for the cards and altar flowers. I enjoyed them very much. I really miss coming to church since I can’t drive. May the Lord bless you.

Camp Mount Luther, as a place set apart by God, is located on 400 acres in Union County, PA. The camp proclaims the gospel of Jesus Christ, in the beauty of creation, serving the Upper Susquehanna Synod (ELCA) and the Episcopal Diocese of Central Pennsylvania (ECUSA). They are committed to serving and being in partnership with the interdenominational, interfaith, and broader community.

God's Mission for Them: Sharing Christ, Planting Seeds.

Their Purpose Statement: A year-round ministry providing resources and experiences in faith formation, worship, recreation, and intentional Christian community for all ages.

Their Vision: Cultivate and integrate strong partnerships between Camp Mount Luther and all expressions of God's church.

During their summer program, they provide a staff trained in providing a safe emotional, physical, and spiritual experience for participants to grow in their faith. They teach their campers creation stewardship and encourage them to effectively use their outdoor leisure time, promoting good sportsmanship.

Created as children of God, they strive to improve participants' sense of self-worth, helping them discover their identity and vocation. Through that discovery, they promote service to others and Christian hospitality. They encourage participants to live a life of discipleship and Christian leadership.

Our congregations have a valuable resource literally in our backyard: Camp Mount Luther. There you will find accommodating staff, valuable programs, and great facilities that will bring added life, creativity, and opportunities to you and this congregation.

From Camp Executive Director Chad Hershberger: "In my 21 years as director, I've seen so many kids transformed by the power of camp, including my own. Watching

this transformation and the relationships that are formed are why I've been involved in outdoor ministry for so long. Whether children are playing, exploring nature, conquering new heights, or becoming part of a camp family, they are creating memories that will last a lifetime. We want to welcome you to camp this summer. Remember, we can't have a great summer without you."

Camp is for those from age 4 through 17. Various camps (ranging from day camps to weekly camps) from June 19 to July 22. Family camps also are available.

Barry Spangler, who is serving as Christ's United's camperson again this year, has information on programs for the summer. Brochures are available at the church or on the camp's website. Our church will pay up to \$150.00 per person for any CULC congregational member's child or grandchild this year. Anyone from our congregation can receive "Camel Bucks" from Barry for use at the camp store this summer.

If you have any questions, contact Barry (570-966-0406) or the camp office at 570-922-1587 or cml@campmountluther.org. You can also check out the camp's website at www.campmountluther.org.

*An appalled parent, angry that her daughter had gotten into a fight at school, spoke harshly:  
 "That's not how I taught you to behave! The devil must have made you do it."  
 Her daughter replied: "Maybe so. But kicking her in the shins was my idea."*

**TREASURER'S REPORT**  
 Christ's United Lutheran Church  
 As of January 31, 2022

|                                | <u>Actual</u>      | <u>Budgeted</u> |
|--------------------------------|--------------------|-----------------|
| Income for the month (5 weeks) | \$21,436.46        | \$ 12,993.75    |
| Expenses for the month         | <u>10,100.28</u>   | 12,993.75       |
| Difference (Net for the month) | <b>\$11,336.18</b> |                 |

**Notes for January:**

The Income and Net Income are very strong for January. The reason is \$8,360.84 is income from the John Snook benefit dinner held January 29<sup>th</sup>. The funds from that event were not given to John until February. Even with the Snook income removed from the monthly income, we have \$13,075.62 from offerings and other sources as shown in the Sources of Income for Jan. 2022 below and net income was positive.

**NOTE FROM CLIFF: I have records back to 2017 when I started as Financial Recording Secretary. This is the first January in my records that January had a positive net income.**

The only expense items worth mentioning are Electric was \$867 and Heating Oil was \$1,708 (received 712 gallons) in January. Our 2022 projected utilities expenses are projected to be higher than past years.

## MIDDLE AGE IS...

- ... *A man who remembers when corn-cure ads showed only the toes.*
- ... *Is having a choice between two temptations and choosing the one that'll get you home earlier.*
- ... *Is the time when a man is always thinking that in a week or two he will feel as good as ever.*
- ... *That period in a man's life when he'd rather not have a good time than have to get over it.*
- ... *That period when a man begins to shed his hair, his teeth, and his illusions.*
- ... *The awkward period when Father Time starts catching up with Mother Nature.*
- ... *The time when you'll do anything to feel better, except give up what is hurting you.*
- ... *When a man starts complaining that the cleaners are shrinking his suits.*
- ... *When a man stops wondering if he can escape temptations and begins to wonder if he's missing any.*
- ... *When a narrow waist and a broad mind begin to change places.*
- ... *When a woman takes her high school annual out of the bookcase and hides it where the children can't find it.*
- ... *When it takes longer to rest than to get tired.*
- ... *When we can do just as much as ever – but would rather not.*
- ... *When work is a lot less fun—and fun a lot more work.*
- ... *When you begin to exchange your emotions for symptoms.*
- ... *When you choose your cereal for the fiber, not the toy.*
- ... *When you go all out and end up all in.*
- ... *When you laugh at pictures you once prized.*
- ... *When you look forward to a dull evening.*
- ... *When you don't care where your spouse want to go—as long as you don't have go with them.*
- ... *When you start eating what is good for you instead of what you like.*
- ... *When you still have the old spark, but it takes more puffing.*
- ... *When you stop criticizing the older generation and start criticizing the younger one.*
- ... *When you stop setting up exercises and start setting over buttons.*
- ... *When you want to see all long your car will last instead of how fast it will go.*
- ... *When your age starts to show around your middle.*
- ... *When your idea of getting ahead is staying even.*
- ... *When you're as young as ever, but it takes a lot more effort.*
- ... *When you're grounded for several days after flying high for one night.*
- ... *When you're not inclined to exercise anything but caution.*
- ... *When you're old enough to know better but still young enough to do it.*
- ... *When you're sitting at home on a Saturday night and the telephone rings and you hope it isn't for you.*
- ... *When you've met so many people that every new person you meet reminds you of someone else.*
- ... *Youth without its levity, and age without decay.*

Feeling stiff . . . groaning when you bend down . . . picking comfort over style with your clothes . . . thinking police officers, teachers, and doctors look really young . . . hating loud bars . . . needing an afternoon nap . . .

Realizing you have some coworkers who don't know what a cassette tape is . . . knowing your limit when it comes to drinking . . . hoping you get asked for ID . . . and giving people speeches on "saving" and "investing."
